

TECHNICAL DATA SHEET

Fleet Wash - Premium Truck Wash Concentrate

Formulated to provide effective and safe removal of road grime, oil and soot with no streaking.

FEATURES:

- Highly efficient formula
- Powerful performance
- Superior quality
- Safe to use
- Environmentally responsible
- Safe on all surfaces
- Hard water tolerant

BENEFITS:

- Very effective at low usage levels
- Advanced additives & emulsifiers prove far more effective than conventional detergent agents. No hard rubbing is required.
- Has the technology to penetrate & break road grime bonding.
- Contains NO phosphate or solvents. Non-Hazardous, Non-Toxic.
- Biodegradable, water based, safe to use with oil/water separators.
- Will not dull or react with any finished surface. Leaves all surfaces clean & bright.
- Unaffected by hard water. Complexes all hard water salts & neutralises their effect.

APPLICATIONS:

- Trucks, buses, small vehicles
- Mining equipment – Trucks, excavators, graders, etc
- Agriculture equipment – Tractors, harvesters, trailers, etc
- Marine equipment – Boats, jet skis, kayaks, etc

DIRECTIONS:

- Dilute at a rate of 1 part to 100 parts water (10ml/L), use warm water if practical
- Rinse loose dirt or dust from vehicle. Wash over vehicle using a soft sponge, cloth or broom
- Rinse thoroughly and chamois dry
- For best results avoid washing in hot direct sunlight or when vehicle surface is hot

SAFETY INFORMATION:

- Keep out of reach of children
- Harmful if swallowed
- Avoid contact with skin and eyes
- Read Material Safety Data Sheet before use
