

TECHNICAL DATA SHEET

Heavy Duty HD Degreaser

FEATURES & BENEFITS:

- Powerful performance- hard-working concentrate cuts through heavy contamination of oil and grease- solubilises, then rinses away without leaving any oily residues.
- Environmentally responsible – water based- completely water dilutable and water rinsable – biodegradable
- Contains no petroleum solvents- does not add to solvent load in effluent
- Non-flammable- no dangerous goods classification- no special storage considerations
- No caustic alkalis – safer to use – safer on equipment
- Quick break- after rinsing, oil-based contaminations break away from the water phase and float to the surfaces facilitating easy removal through oil separation systems.

APPLICATIONS:

- All motoring industries, such as auto mechanics, car yards, smash repairs or anywhere heavy duty oils and grease are found.
- General hard surface cleaning
- Engine degreasing

DIRECTIONS:

May be used as supplied for heavy-duty degreasing or dilutes with up to 40 parts water for general floor cleaning. Leave to soak for 2-3 minutes, then rinse off with high-pressure water.

For low-pressure spray use as provided or dilute with 2 parts water – after 2-3 minutes soaking, rinse away with high-pressure water.

SAFETY INFORMATION:

- Keep out of reach of children.
- Avoid contact with skin and eyes.
- Harmful if swallowed.
- Harmful if inhaled.
- Read Material Safety Data Sheet before use.
