DIRECTIONS:

Read label and Safety Data sheet to familiarise yourself with the safety requirement for this product.

- Shake can before use.
- Turn power off before use - DO NOT use on equipment that is energised.
- Ensure adequate ventilation during use and before reactivating equipment.
- Spray liberally to run off at approx 20cm from the area being cleaned.
- Use extension tube where necessary for hard to reach areas.
- Can may be turned at any angle for convenient access.
- **Where a non-flammable cleaner is required, use Hammersley's NF1 Contact Cleaner.**

SAFETY INFORMATION:

- Highly flammable aerosol solvent.
- **Keep away from naked flames and heat sources.**
- **KEEP OUT OF REACH OF CHILDREN.**
- Harmful if swallowed.
- Use with adequate ventilation.
