## DIRECTIONS:

*Read label and Safety Data sheet to familiarise yourself with the safety requirement for this product.*

- Remove from power off before use - DO NOT use on equipment that is energised.
- **Flammable formulation** – Ensure adequate ventilation during use and before reactivating equipment.
- Spray liberally to run off at approx 20cm from the area being cleaned.
- Allow to air dry completely or assist with a clean, dry absorbent cloth.
- Ensure electrical components are completely dry before re-activating power.

**Where a non-flammable cleaner is required, use Hammersley's NF Brake & Parts Cleaner.**

## SAFETY INFORMATION

- Highly flammable aerosol solvent.
- Keep away from naked flames and heat sources
- **KEEP OUT OF REACH OF CHILDREN.**
- Harmful if swallowed.
- Use with adequate ventilation.
