

# HAMMERSLEY AUSTRALIA

## THE HAMMERSLEY WAY

We are an Australian Manufacturer using Australian Technologies.

The Hammersley range of chemicals has been specifically designed to provide specialty products for individual requirements. Workplace health and safety and our environment have been prime considerations in the development of this range.

Hammersley is continually expanding its technologies to increase the efficiency of our products to make our workplace and environment safer.

Discuss our products with our Area Manager to find the right product for your use.

## QD CONTACT CLEANER

FLAMMABLE

A unique, technically superior, rapid drying, inert high purity precision cleaning solvent. Minimises downtime associated with 'clean in place' cleaning methods.

- Plastic Safe
- Rapid evaporation - minimises downtime
- Stable
- Non Corrosive, Non Staining
- Cleans Efficiently
- Safe on all surfaces
- Non Corrosive

SIZE AVAILABLE	350gm Aerosol	5L	20L	205L	1000L
PRODUCT CODES	H1000	H1001	H1002	H1003	H1004

## NONFLAM CONTACT CLEANER

NON FLAMMABLE

An innovative, technically superior, stable safety solvent for use where work conditions demand the ultimate in safety and performance. Minimises downtime associated with 'clean in place' cleaning methods.

- No flash point - Non Conductive
- Rapid, controlled evaporation
- No Chlorinated Hydrocarbons
- Non Corrosive, Non Staining
- Powerful Solvency & Residue free

SIZE AVAILABLE	400gm Aerosol				
PRODUCT CODES	H1005				

## BRAKE & PARTS CLEANER

FLAMMABLE

A non chlorinated solvent blend designed to quickly and safely remove brake fluid, grease oil and other contaminations from brake linings, pads, drums and callipers.

- Non Corrosive, Non Staining
- Non conductive
- Residue free
- Rapid evaporation - minimises downtime
- Lifts and removes oil and grease
- Low surface tension & high density which has already penetrated linings.

SIZE AVAILABLE	350gm Aerosol	5L	20L	205L	1000L
PRODUCT CODES	H1000	H1001	H1002	H1003	H1004

## NF BRAKE & PARTS CLEANER

NON FLAMMABLE

A multi purpose, non-flammable solvent designed to quickly and easily remove contaminations from brake linings, pads, drums and callipers.

- Superior cleaning and degreasing
- Powerful solvency
- Non Corrosive, Non Staining
- Non Conductive
- Rapid evaporation - minimises downtime.

SIZE AVAILABLE	400gm Aerosol	5L	20L	205L	1000L
PRODUCT CODES	H1015	H1016	H1017	H1018	H1019

## Bulk Solvents

### NS14 SOLVENT

ELECTRICAL SAFETY SOLVENT

- Provides maximum protection when used on electrical equipment.
- A powerful solvent that penetrates and flushes away all oily, carbon and greasy contaminations quickly and easily.
- Shows no flash point even at boiling point.
- Controlled fast drying.
- High dielectric strength >25kv.
- Safe on most plastics and insulation.
- Disperses water and moisture.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-57	300-0020-57	300-0205-57	300-1000-57

### NS22 SOLVENT

DEWATERING SAFETY SOLVENT

- Removes water quickly and safely from electrical equipment and components.
- Non conductive.
- Non flammable.
- Machinery can be started straight away.
- Decontaminates - dissolves and flushes away grease, oils, scum, dirt and dust.
- Dries quickly & completely - no residues.
- Safe - no dismantling - flooded motors can be started in minutes.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-09	301-0020-09	301-0205-09	301-1000-09

### NS25 SOLVENT

NON CHLORINATED CLEANING & ELECTRICAL SOLVENT

- A replacement for chlorinated containing solvents.
- Strong solvent.
- Low toxicity.
- Non flammable.
- Non DG - flashpoint 80°C.
- Evaporates to dryness.
- Easy to use - no fumes or vapours.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-58	300-0020-58	300-0205-58	300-1000-58

### NS36 SOLVENT

NON CHLORINATED CLEANING & ELECTRICAL SOLVENT

- NS36 is a replacement for chlorinated hydrocarbon solvents.
- Excellent solvency.
- Evaporates to dryness.
- Non flammable.
- Safe to use.
- High flashpoint 63°C.
- Non DG - low toxicity.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-59	300-0020-59	300-0205-59	300-1000-59

## MINE KLEAN QUICK BREAK DEGREASER

- Mine Klean Quick Break Degreaser is supplied in a ready to use solution.
- Formulated to remove oil, grease, coal dust, carbon deposits, exhaust stains, wax and other stubborn stains from all hard surfaces.
- Formulated to work with oil separator systems.
- Available in BULK.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	H1037	H1038	H1039	H1040

## MINE KLEAN TRUCK WASH

- High concentration.
- Advanced additives and emulsifiers.
- Safe on all surfaces.
- Free rinsing.
- Hard water tolerant.
- Hard working, powerful commercial formula, no hard scrubbing required.
- Safe to use with oil separation systems.
- Available in BULK.

SIZE AVAILABLE	20L	205L	1000L
PRODUCT CODES	H1043	H1044	H1045

## MINE KLEAN SHUTDOWN DEGREASER

- Non-flammable - Fire Safe for extra workplace protection.
- Non-hazardous - Work safety under all conditions.
- No petroleum smells & Non-fuming - Safe for confined spaces and continuous contact.
- Renewable plant based technology - No environmental impact.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	H1053	H1054	H1055	H1056

## MINE KLEAN RIM PRO

- A specialty corrosion inhibitor designed to prolong the life and provide maximum protection for tyres, wheels and rims.
- Protects wheels and rims from rust and corrosion.
- Removes existing rust scale from wheels and rims.
- Makes tyre removal from rims easier.
- Superior rim sealing.
- Keeps tyres cool prolongs tyre life.

SIZE AVAILABLE	1000L
PRODUCT CODES	H1047

## MINE KLEAN GLASS CLEANER

- A balanced blend of natural solvents, detergents and silicone polymers, each designed to perform functions in the removal of all soils that contaminate glass products in commercial areas.
- Removes sticky residues, gums, dust and road grime.
- The detergency assists in the penetration, removal and suspension of all soils.

SIZE AVAILABLE	500ml	750ml	20lt
PRODUCT CODES	H1034	H1035	H1036

## MINE KLEAN SPRAY N WIPE

- Formulated for the efficient cleaning and sanitising of all food areas and hard surfaces.
- Contains 2gm/Lt quaternary ammonium compounds to ensure thorough sanitising of all treated surfaces.
- Food Safe - non-toxic and when necessary, is suitable to leave on food preparation surfaces without rinsing.
- Broad spectrum bactericide - ideal for all food preparation areas.

SIZE AVAILABLE	500ml	750ml	20lt
PRODUCT CODES	H1049	H1050	H1051

## MINE KLEAN SCRUBBER BOX CLEANER

- Total protection scrubber box technology.
- Increases Scrubber box filter life by up to 70%.
- Formulated for the inoperational, cleaning and maintenance of wet scrubber box exhaust systems.
- Dramatically reduces the level of particulate matter emitted from the exhaust stream of diesel motors.
- Effective 6 way action.

SIZE AVAILABLE	1000L
PRODUCT CODES	H1052

## MINE KLEAN SCRUBBER BOX ADDITIVE

- Total protection scrubber box technology.
- Increases Scrubber box filter life by up to 70%.
- Formulated for the inoperational, cleaning and maintenance of wet scrubber box exhaust systems.
- Dramatically reduces the level of particulate matter emitted from the exhaust stream of diesel motors.
- Effective 6 way action.

SIZE AVAILABLE	20L
PRODUCT CODES	H1048

## HYDROSOLV

BIODEGRADABLE HARD SURFACE  
CLEANER / DEGREASER

- Removes oil, grease, wax, carbon, inks, dyes, creosole, mildew, exhaust stains and other stubborn stains from all hard surfaces.
- Concentrated solution.
- Quick break - no hard scrubbing required.
- Non flammable, non toxic, non residual.
- Safe on all hard surfaces.
- Contains rust inhibitor to protect metal surfaces.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-43	300-0020-43	300-0205-43	300-1000-43

## HYDROSOLV RTU

READY TO USE -  
BIODEGRADABLE HARD SURFACE CLEANER

- Hydrosolv supplied in a ready to use solution.
- Formulated to remove oil, grease, wax, carbon, inks, dyes, creosole, mildew, exhaust stains and other stubborn stains from all hard surfaces.

SIZE AVAILABLE	500ml	5L	20L	205L	1000L
PRODUCT CODES	300-0500-44	300-0005-44	300-0020-44	300-0205-44	300-1000-44

## HD DEGREASER

NON CAUSTIC HEAVY DUTY  
WATER BASED DEGREASER

- Excellent for engine degreasing and hard surface cleaning.
- Powerful performance - hard working concentrate cuts through heavy contamination of oil and grease.
- Environmentally responsible - water based & biodegradable.
- No petroleum solvents - non caustic.
- Non flammable - no DG classification.
- Quick break - for easy removal.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	302-0005-17	302-0020-17	302-0205-17	302-1000-17

## DC186

POWERFUL DEGREASER CONCENTRATE

- Formulated for efficient removal of all oil contaminations from floors, machinery, vehicles and rolling stock.
- Fast acting.
- Effective.
- Economical.
- Safe.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-17	300-0020-17	300-0205-17	300-1000-17

## AQUATEK

GENERAL PURPOSE WATER BASED DEGREASER

- Hard working concentrate cuts through heavy contaminations of oil and grease, solubilises them, then rinses away without leaving any oily residues.
- Excellent for: Driveway cleaning, engine degreasing, wheel and tyre cleaning.
- Environmentally responsible
- Petrochemical free
- Non-flammable.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-02	300-0020-02	300-0205-02	300-1000-02

## AQUATRON

HEAVY DUTY WATER BASED DEGREASER

- Provides effective and safe removal of oil, grease and carbon based contaminations from machinery, floors and all hard surfaces.
- Concentrated solution.
- Powerful performance.
- Environmentally responsible.
- Petrochemical free.
- Non flammable.
- Quick break.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-03	300-0020-03	300-0205-03	300-1000-03

## DETAR

HEAVY DUTY DEGREASER CONCENTRATE

- A new safety revolution - renewable resource - no petroleum ingredients.
- A revolutionary plant based formula.
- Removes blackjacket, tar and asphalt.
- Non flammable.
- Non hazardous.
- No petroleum smells - non fuming.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-13	301-0020-13	301-0205-13	301-1000-13

## CONCENTRATE

MULTI-PURPOSE HARD SURFACE CLEANER

- Multi purpose, deep cleaning compound for all hard surfaces.
- Formulated to safely remove a wide range of soils from any hard surface with a minimum of time and effort.
- Versatile - Gentle enough for glass and furniture, powerful enough for truck and aircraft maintenance or industrial steam cleaning.
- Exceptional soil remover - no time consuming rinsing necessary.
- Once diluted - pH neutral.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-14	300-0020-14	300-0205-14	300-1000-14

## THE GOOD OIL

### PREMIUM PENETRATING LUBRICANT & PROTECTANT

- Unrivalled for penetration, lubrication, corrosion neutralisation, protection and safety.
- Unequalled penetration.
- Low surface tension.
- Highly efficient, lubrication.
- Non drying.
- Non flammable.
- Non hazardous.
- No petroleum smells - non fuming.
- Renewable plant based technology.

SIZE AVAILABLE	250ml	500ml	5L	20L	205L	1000L
PRODUCT CODES	H1026	H1027	H1028	H1029	H1030	H1031

## PENETRAX

### PENETRATING LUBRICANT - MOISTURE DISPERSANT

- Penetrant - loosens seized parts - penetrates faster and deeper.
- Lubricant - lubricates all moving parts.
- Dispersant - displaces moisture from all electrical components.
- Preventative - protects metal components from rust and corrosion.
- Protectant - protects aluminium, glass and other fixtures from cement and acid stains during construction.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-32	301-0020-32	301-0205-32	301-1000-32

## SILASHEEN

### SILICON SURFACE TREATMENT

- Provides slick, "stick free" surfaces.
- Prevents glues, adhesives, inks and paints from adhering to any solid surface.
- Rejuvenates rubber, vinyl and plastics.
- Protects expensive equipment from corrosion and malfunction.
- Effective in extreme temperatures - 40°C up to 260°C - will not gum or rub off. Food safe provided no more than 10 p.p.m. residual silicone is transferred to food.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	301-0005-12	301-0020-12	301-0205-12

## SAFE T STRIP

### GRAFFITI REMOVER

- Provides a safe mechanism for the removal of a wide range of graffiti.
- Can be used on most painted surfaces.
- No effect on plastic or fibreglass.
- Contains no chlorinated hydrocarbons, no petroleum hydrocarbons, no caustic alkalies and no acids.
- Biodegradable.
- Low order of toxicity - can be used without protective masks.
- Water rinseable - contaminations are easily washed away.

SIZE AVAILABLE	1L	5L	20L	205L	1000L
PRODUCT CODES	300-0001-54	300-0005-54	300-0020-54	300-0205-54	300-1000-54

## SCALEX

### INHIBITED ACID CONCENTRATE

- Removes scale, stains, algae, mineral deposits, mortar and scum quickly and safely.
- Cleans excess mortar from new brickwork.
- Cleans concrete from trucks, bins & tubing.
- Cleans grime, algae, rust and stains from old brickwork and masonry.
- Descales boilers, condensers and heat exchangers.
- Dissolves corrosion salts from ferrous metals.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-78	300-0020-78	300-0205-78	300-1000-78

## BRITEX

### NON TOXIC ACID CLEANER

- Removes acid sensitive contaminations and stains from stainless steel, fibreglass, brickwork and painted surfaces.
- Easy to use - just apply and leave.
- Concentrated, professional strength acidic cleaner without fuming.
- Efficient for removal of excess mortar, grout haze, efflorescence and most insoluble white stains on brick surfaces.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-08	301-0020-08	301-0205-08	301-1000-08

## HOT WASH

### MACHINE PARTS CLEANER & DEGREASER

- Used to pressure wash parts and components through hot water spray washers.
- Excellent for heavy duty hard surface cleaning and hot tank cleaning for reactive metal components.
- High capacity for absorption of grease and oil.
- Contains no caustic alkalinity or fillers - 100% active. Contains special solvents and coupling agents.

SIZE AVAILABLE	9kg	25kg
PRODUCT CODES	300-0009-42	300-0025-42

## CHEM STEAM

### STEAM & HIGH PRESSURE WATER CLEANER

- For use in steam cleaning and high pressure water units to provide fast and complete removal of the most stubborn industrial soils.
- Mixes instantly - no wasted undissolved powders - no risks of clogging valves or lines - no wasted time.
- Contains no caustic, ammoniated compounds or petroleum solvents.
- All surfactants and surface activators are based on natural and renewable resources and are readily biodegradable.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-13	300-0020-13	300-0205-13	300-1000-13

## CORRONIL

### CORROSION PREVENTION

- Protects metal components, spare parts, instruments, dies, jigs and machined surfaces from corrosion during storage, production processes and transportation.
- Easy to apply and remove.
- Safe, low toxicity and high flashpoint.
- Will penetrate and displace any moisture on the metal surfaces being treated.
- 100% active and 100% effective.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	301-0005-27	301-0020-27	301-0205-27

## CORRONIL RS50

### RUST & CORROSION PROTECTIVE COATING

- Provides long term rust and corrosion control for metal surfaces.
- Can be used as a stand-alone protective coating or as a primer to be paint finished.
- Prevents rust and corrosion.
- Strong, flexible, transparent.
- Provides long term protection.
- Does not crack or peel.
- Handles extreme temperatures of both hot and cold.
- Available in clear or Black.

SIZE AVAILABLE	5L	20L
PRODUCT CODES	300-0005-11	300-0020-11

## TRUST

### ALUMINIUM & STAINLESS STEEL BRIGHTENER

- Removes dirt and corrosion from aluminium truck bodies, stainless steel trucks and railway carriages.
- Removes oxide films prior to spot welding of aluminium.
- Eliminates streaking problems.
- Fast action and easy to use.
- For use in the following industries: automotive, building, railways and marine.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	300-0000-89	300-0020-89	300-0205-89

## PARTS WASHER DEGREASER

- Highly efficient parts cleaner designed for use in re-circulating parts washers or in manual, parts degreasing operations.
- Safely and quickly removes oil, grease and grime from metals, most plastics and painted surfaces.
- Water based
- Non caustic
- No hydrocarbon solvents
- Quick break

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-41	301-0020-41	301-0205-41	301-1000-41

## DUSTAT

### RESIDUAL & CUMULATIVE DUST CONTROL

- A highly effective dust control and substrate stabilising agent that provides a residual and cumulative effect on unsealed roads and embankments in above ground and underground areas, fly ash containment areas or wherever dust control is a problem.
- A natural replacement for calcium, magnesium or sodium chloride preparations and surfactant based wetting agents.
- Completely safe to use, completely environmentally safe, non toxic, non phytotoxic, non pollutant, bio degradable and not harmful to skin.
- Hygroscopic strength creates a moist micro environment that maintain its residual effect.
- Continual use progressively assists the compaction of soil.

SIZE AVAILABLE	20L	205L	1000L
PRODUCT CODES	300-0020-28	300-0205-28	300-1000-28

## DUSTAT CT4

### DUST ELIMINATING PROTECTION

- Highly effective, cross-linked copolymer that provides a unique dust eliminating film to all non traffic areas.
- Creates a tough flexible veneer that binds all fine, dust producing particles.
- High dilution application
- Water resistant
- Environmentally safe
- Low toxicity
- Safe for all machinery

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-42	301-0020-42	301-0205-42	301-1000-42

## RIM GUARD

### WHEEL & RIM PROTECTION FLUID

- A specialty corrosion inhibitor designed to prolong the life and provide maximum protection for tyres, wheels and rims.
- Protects wheels and rims from rust and corrosion.
- Removes existing rust scale from wheels and rims.
- Makes tyre removal from rims easier.
- Superior rim sealing.
- Keeps tyres cool prolongs tyre life.

SIZE AVAILABLE	205L	1000L
PRODUCT CODES	300-0205-70	300-1000-70

## HIBITEC

### SCALE & CORROSION INHIBITOR FOR ENGINE COOLING SYSTEMS

- Maintains cooling systems at peak efficiency.
- Protects all metals from corrosion with a monomolecular film barrier.
- Maintains effectiveness under high pressure and heat conditions.
- Non toxic.
- Small usage - very economical.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	302-0005-32	302-0020-32	302-0205-32	302-1000-32

## HIBITRON

### NEW GENERATION ENGINE COOLANT AND ANTI FREEZE ADDITIVE

- Provides 100% corrosion protection.
- Prevents scale build up.
- Very effective anti-freeze protection.
- Increases boiling point - suitable for high temperature conditions.
- Increases heat transfer efficiency.
- Contains glycol for anti freeze and anti boil.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	302-0005-33	302-0020-33	302-0205-33	302-1000-33

## RENEW IT

### VINYL & LEATHER PROTECTANT

- Leaves a deep, natural conditioning effect.
- Leaves all treated surfaces with a smooth feel – soft, supple, luxurious.
- Creates a friction-free surface where dirt won't stick, dust won't settle.
- Subsequent marks wipe away easily.
- Non film forming.

SIZE AVAILABLE	500ml	5L	20L	205L
PRODUCT CODES	302-0500-23	302-0005-23	302-0020-23	302-0205-23

## INTERIOR CLEANER

### AUTO INTERIOR CLEANING CONCENTRATE

- Water based, non caustic, spray on/wipe off cleaner for all internal detailing.
- Fast acting – instantly floats soils from surface areas without hard rubbing or scrubbing.
- Excellent results with difficult soils, oils or sticky residues, smoke or nicotine stains, road grime, shoe scuff marks etc.
- Non flammable - contains no hydrocarbon solvents.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-45	300-0020-45	300-0205-45	300-1000-45

## FLEET WASH

### PREMIUM TRUCK WASHING CONCENTRATE

- High concentration.
- Advanced additives and emulsifiers.
- Safe on all surfaces.
- Free rinsing.
- Hard water tolerant.
- Hard working, powerful commercial formula, no hard scrubbing required.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-03	301-0020-03	301-0205-03	301-1000-03

## ALLOY WHEEL CLEANER

### BRAKE DUST & ROAD GRIME REMOVER

- Highly efficient, environmentally responsible degreasing compound for all general degreasing and alloy wheel cleaning.
- Modern, water soluble formula contains no petroleum hydrocarbons.
- Biodegradable, powerful emulsifying detergent agents readily break down in the effluent system - non pollutant.
- Non-flammable - Water based formula.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	302-0005-30	302-0020-30	302-0205-30	302-1000-30

## MAG MAGIC

### ALLOY WHEEL CLEANER

- Light acidic cleaner for efficient removal of brake dust residues from alloy wheels.
- Efficiently breaks the bond between the brake dust and the alloy allowing residues to be easily rinsed away.
- Contains an efficient solvent and detergent system to increase cleaning efficiency on oily soils.
- Simple spray on hose off cleaning.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	302-0005-31	302-0020-31	302-0205-31

## WINDSCREEN WASH ADDITIVE

- Highly efficient - small additions to windscreen wash reservoir assures the clear vision that is essential for safe driving.
- Effectively removes road haze, oily residues, smudges and bugs from windscreen during automatic screen washing.
- Floats all soils away, leaves no streaks.
- Lubricates wiper blades, helps prevent shudder - extends life of blade.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	302-0005-22	302-0020-22	302-0205-22

## SANOPHENE

### SUPER CONCENTRATED CLEANER & DISINFECTANT

- Developed for commercial, institutional and professional use.
- Combines potent disinfectant properties with powerful cleaning action.
- Contains no caustics, solvents or soaps.
- Works efficiently in hard or soft water, free rinsing.
- Harmless to paint fabrics and glass, can be used on any hard surface.
- Highly concentrated, economical to use.
- Gives complete bacterial control.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-76	300-0020-76	300-0205-76	300-1000-76

## SANOPHENE ODOURLESS

### SUPER CONCENTRATED CLEANER & DISINFECTANT

- Odourless for use in food preparation and processing areas - AQLS compliant.
- Combines potent disinfectant properties with powerful cleaning action.
- Contains no caustics, solvents or soaps.
- Works efficiently in hard or soft water - free rinsing.
- Can be used on any hard surface, harmless to paint fabrics & glass.
- Highly concentrated – Economical

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-75	300-0020-75	300-0205-75	300-1000-75

## HI GENE

### ACID BACTERICIDAL CLEANER

- Removes stubborn stains quickly and easily - Sanitises as it cleans.
- Highly effective acid cleaner that breaks down and destroys many contaminations that are normally difficult to remove using conventional cleaners.
- Ideal for the removal of water stains in toilet bowls and wash basins, water marks and uric acid build up in urinals and body fat and soap residues in shower stalls and baths.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-41	300-0020-41	300-0205-41	300-1000-41

## SPRAY SAN

### ANTIBACTERIAL SURFACE SPRAY

- Formulated for the efficient cleaning and sanitising of all food areas and hard surfaces.
- Contains 2gm/Lt quaternary ammonium compounds to ensure thorough sanitising of all treated surfaces.
- Food Safe - non-toxic and when necessary, is suitable to leave on food preparation surfaces without rinsing.
- Broad spectrum bactericide - ideal for all food preparation areas that could harbour harmful germs.

SIZE AVAILABLE	500ml	5L	20L
PRODUCT CODES	300-0500-86	300-0005-86	300-0020-86

## WISP

### AIR SANITISER DEODORANT SPRAY

- Powerful, concentrated formula.
- Leaves a clean, fresh fragrance.
- Strong germicidal action.
- Neutralises odour.
- Freshens air.

SIZE AVAILABLE	500ml	5L	20L	205L
PRODUCT CODES	300-0500-96	300-0005-96	300-0020-96	300-0205-96

## GENESIS

### CLEANER/DISINFECTANT/SANITISER/DEODORISER

- Organic heavy duty cleaner and germicide concentrate for commercial and industrial use in floor maintenance, hard surface cleaning and disinfecting.
- Super concentrated - a potent germ killer and powerful cleaner.
- Ideal for the effective cleaning and disinfecting of bath houses, and all industrial flooring and hard surfaces.
- Contains no solvents and no soaps.
- Works efficiently in hard or soft water and rinses freely to leave no residue.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	301-0005-05	301-0020-05	301-0205-05

## SC239

### POWDER CLEANER & SANITISER

- Thoroughly cleans, sanitises and deodorises all hard surface areas.
- Dissolves readily in hot or cold water to produce a solution of high cleaning and bacteriological potency.
- Safe - Contains no solvents or caustic compounds.
- Excellent for use in commercial or industrial bath, shower and toilet areas.
- Powerful cleaner - Disinfectant and fungicide for food processing industries.

SIZE AVAILABLE	2kg bucket	9kg bag	20kg bucket
PRODUCT CODES	301-0002-77	300-0009-77	301-0020-77

## ECLIPSE

### BATHROOM CLEANER

- Removes a wide range of soils from any hard surface, even the heaviest dirt and grime.
- An aggressive cleaner that is gentle enough to be used on any surface.
- No caustic compounds, solvents, abrasives, soaps or acids.
- Fresh eucalypt fragrance.
- Suitable for industrial shower & wash areas, hospital and institutional, council and municipal use and as a neutral scrub/reordrant.
