

TECHNICAL DATA SHEET

SC239 - Powder Cleaner & Sanitiser

Formulated to thoroughly clean, sanitise and deodorise all hard surface areas.

FEATURES:

- Powerful
- Effective
- Safe
- Versatile
- Free Rinsing
- Deodorising

BENEFITS:

- Kills bacteria organisms on contact. 6gms per litre of water releases 100ppm chlorine. Disinfectant and fungicide for food processing industries.
- Unique action chemically destroys protein contamination – faster – more efficient than normal cleaning compounds.
- Contains no solvents – caustic compounds and is non-toxic.
- Dissolves readily in hot or cold water to produce a solution of high cleaning and bacteriological potency.
- Leaves no residue or slipperiness, even when rinsing is not quite adequate.
- Displays complete chemical deodorising properties when used in areas subjected to bacterial odours – toilets, drains, etc.

APPLICATIONS:

- Bath, shower and toilet areas.
- Cleaning and sterilising equipment in food industry.
- Conveyor belt and equipment cleaning in fruit canneries.
- Bakery equipment cleaning to eliminate pink mould.
- Vat cleaning in milk factories and boning tables in abattoirs.
- Animal kennels and stable areas.

DIRECTIONS:

- Sprinkle SC239 onto dampened surface, agitate with brush and allow to remain for a few minutes. Rinse off with fresh water.
- Add 6-12grams of SC239 per litre of water, swab then brush the surface to be cleaned. Rinse with fresh water.

SAFETY INFORMATION:

- Keep out of reach of children.
- Avoid contact with eyes.
- Read Material Safety Data Sheet before use.

SC239 is available in:

PRODUCT SIZE	900g Jar	2kg Bag	9kg Bucket	20kg Bag	25kg Bag
PRODUCT CODE	300-0900-77	301-0002-77	301-0009-77	301-0020-77	300-0025-77
