

TECHNICAL DATA SHEET

SILQUEST - Machine Dish - Glass Washing Concentrate

Formulated for use through automatic dispensing equipment in dishwashing and glass washing machines.

Four ways more effective:

- Fast efficient cleaning
- Sustained power
- Thorough rinsing
- Economic usage

FEATURES:

- Effective
- Non foaming
- Free rinsing
- Prevents scale build up

BENEFITS:

- Contains specially developed wetting agents and penetrants to effectively emulsify a wide range of contaminations.
- Controlled foaming allows maximum cleaning effectiveness.
- Complete free rinsing leaves surface bright and clean without streaking. Under most normal circumstances, rinsing aids are unnecessary.
- Special additives condition hard water and actually prevent scale build up.

DESCRIPTION:

Pre-mix Silquest with 6 parts water before adding to reservoir.

APPLICATIONS:

- Household and commercial kitchens
- Hotels and motels
- Restaurants
- Bars and clubs

DIRECTIONS:

Pre-mix Silquest with 6 parts water before adding to reservoir.

SAFETY INFORMATION:

- Read Material Safety Data Sheet before use.
- Keep out of reach of children.
- Avoid contact with eyes.
