

# TECHNICAL DATA SHEET

## Tyre Sheen - Premium Silicone Tyre Dressing

*Dries quickly – leaving a natural high sheen.*

### FEATURES:

- Premium look
- Non stick
- Protection
- Resistant
- Simple to use

### BENEFITS:

- Gives new and natural appearance to all rubber surfaces. Tyres maintain a new “cared for” look right through to the next wash period.
- Provides a slick, stick free surface allowing the treated surface to shed dust, and allow grime to be rinsed away.
- Higher viscosity silicon polymers give greater protection, more natural shine and a longer lasting effect.
- Coating is water and stain repellent.
- Just spray and spread.

### APPLICATIONS:

- Mechanics, car yards, fleet and coach industries, trucks and other heavy vehicles.
- Tyre and rim specialty industries.
- Car enthusiasts.

### DIRECTIONS:

1. Thoroughly clean the surface to be treated.
2. Spray tyres with nozzle 8 to 10cm away from surface.
3. Remove excess with a clean cloth and allow to dry.
4. Initial treatment may be repeated to gain maximum effect on old worn tyre surfaces.

### SAFETY INFORMATION:

- Read Material Safety Data Sheet before use.
- Keep out of reach of children.
- Avoid contact with skin and eyes.
- Highly flammable.
- Use in a well ventilated area.
- Use personal protective equipment as required.
