

TECHNICAL DATA SHEET

Workshop Genie - Floor & Hard Surface Cleaner

Effectively and safely removes oil, grease and carbon based contaminations from machinery, floors and all hard surfaces.

FEATURES:

- Environmentally responsible
- Powerful performance – contains citrus
- Pleasant odour
- Quick break
- Safe on all hard surfaces
- Non toxic – Non flammable
- Non residual

BENEFITS:

- Biodegradable, water based, petrochemical free, contains no petroleum solvents – low environmental impact.
- Hard working concentrate cuts through heavy contamination of oil and grease, solubilises them, then rinses away without leaving any oily residues.
- Faint citrus fragrance.
- After rinsing, oil based contaminations break away from the water phase and float to the surface facilitating easy removal through oil separation systems.
- Will not harm rubber, plastics, sound paint work.
- Easy and safe to work with. No special storage considerations.
- Simply rinse away after cleaning.

APPLICATIONS:

- Industrial cleaning.
- Workshop floor cleaning.
- Machinery degreasing.
- Automotive parts and equipment cleaner.
- Agriculture and marine equipment cleaning.

DIRECTIONS:

1. May be used as supplied for heavy duty degreasing or diluted up to 80 parts water for more general purpose floor cleaning.
2. May be applied by mop or spray.
3. Agitate lightly before rinsing away.

SAFETY INFORMATION:

- Keep out of reach of children.
- Avoid contact with skin and eyes.
- Harmful if swallowed.
- Read Material Safety Data Sheet before use.
