

TECHNICAL DATA SHEET

Alcohol-Free Hand Sanitiser Spray

FEATURES:

- Gentle yet highly effective bactericidal spray
- Refreshing and sanitising
- Easy to use
- Dries completely in seconds
- Safe to use where flammable products are banned
- Convenient- perfect for on-the-go use

BENEFITS:

- Kills 99.99% of germs & bacteria quickly & effectively
- Non-toxic, non-flammable, alcohol-free and readily biodegradable
- Does not dry out hands & is non-irritating
- No water required
- Leaves no residue
- Comes in various sizes for ease of use

APPLICATIONS:

- Home
- School
- Work – all industries
- Teachers
- Nurses
- Health Care Professionals
- Where water is not readily available
- When frequent hand washing leaves hands dry
- COVID-19 – use whenever necessary, especially before & after meals, before & after going outside or to the shops, after you've washed your hands as an added level of sanitation

DIRECTIONS:

Spray onto clean, dry hands. Use sparingly but sufficient to ensure that all surfaces of the hand will be wet with the solution. Spread onto all hand and nail areas and continue to rub into skin until dry.

SAFETY INFORMATION:

- Do not inhale mist/vapour spray.
- Avoid contact with the eyes.
- Do not swallow.
- Read Material Safety Data Sheet before use.
