

# TECHNICAL DATA SHEET

## Concentrate - Multi-Purpose Deep Cleaning Compound

*Formulated to safely remove a wide range of soils from any hard surface with minimum time and effort.*

### FEATURES:

- Environmentally responsible
- Versatile
- Unique technology
- Safe on all hard surfaces
- Non-toxic and non-flammable
- Mild pH and non-residual

### BENEFITS:

- Biodegradable, water-based, contains NO solvents
- Gentle enough to be used on any surface not affected by water. Powerful enough for use on the heaviest dirt and grime
- Soil suspension additives break up the soil into fine particles & floats them to surface ready to be mopped away
- Will not harm glass, rubber, plastics, wood, metal, aluminium, s/steel, leather, vinyl, tiles or porcelain
- Easy and safe to work with
- No slick, soapy film or greasy scum remains after cleaning floor. Maintains original brightness

### APPLICATIONS, DIRECTIONS & DILUTIONS (IN PARTS CONCENTRATE TO PARTS WATER):

- **GREASY FLOORS:** Meat markets, cafeteria kitchens, food processing plants. Dilute 1:40.
- **WOOD FLOORS:** For regular cleaning, dilute 1:80. For fast cleaning of heavy oil deposits, dilute 1:4 apply and let stand 5 minutes then scrub and rinse.
- **LINOLEUM, RUBBER, ASPHALT, VINYL PLASTIC FLOORING:** For regular mopping, 1:80. For removing old wax, 1:20 in hot water. For extremely dirty waxed floors, dilute according to condition, scrub and rinse.
- **TILE, TERRAZZO, MARBLE:** For regular mopping, dilute 1:80. To remove long-standing dirt and soap film, use a stronger solution with hot water according to condition.
- **LEATHER, VINYL UPHOLSTERY:** Dilute 1:40, spread thinly over surface. Wipe dissolved dirt off with clean damp cloth or sponge. Wipe dry with a clean cloth.
- **GYMNASIUM FLOORS:** For extreme rubber mark conditions, apply 1:40 in hot water, let stand and scrub if necessary. For scuffs or stains on baseboards dip pad of fine steel wool in above solution and rub lightly.
- **PAINTED WALLS AND FLOOR:** Dilute 1:80. For extreme conditions, use a stronger solution.
- **SCHOOL DESKS:** Use 1:20. Wipe off with a clean cloth.
- **STEEL FILES - LOCKERS:** Use 1:40. Wipe off with a clean cloth.
- **TRUCKS, AIRCRAFT:** For regular washing 1:40. Apply with brush and hose off.
- **ALUMINIUM, STAINLESS STEEL:** Dilute 1:40 in warm water. Apply to surface with clean cloth, agitating lightly. Wipe off with a damp cloth, then wipe dry with a clean dry cloth.
- **STEAM CLEANING:** Dilute 1:20 and adjust flow rate until sudsing appears at the nozzle.
- **VENETIAN BLINDS:** Dilute 1:80, immerse entire blind in solution then hang up at full length and hose off with warm water.
- **FURNITURE AND WOODWORK:** Dilute 1:40. Wipe off with a damp cloth, then wipe dry with a clean dry cloth.

- **PORCELAIN SURFACES, ALL HARD TILES:** Use dilution of 1:40. Apply with spray, cloth or sponge. Wipe dry with chamois or dry cloth.
- **GLASS:** A beautiful non-streaking job can be done on glass by using 1:160.
- **RAGS AND DUST MOPS:** Dirty or greasy rags and dust mops can be cleaned by placing them in the solution used for other cleaning. Allow to soak and rinse.

**SAFETY INFORMATION:**

- Keep out of reach of children
- Avoid contact with skin and eyes
- Read Material Safety Data Sheet before

**Concentrate is available in:**
