

TECHNICAL DATA SHEET

Control - Machine Dishwashing Concentrate

Provides maximum stain and scale control for all commercial ware wash environments through automatically controlled dispensing equipment.

FEATURES:

- Highly efficient
- Total sanitising
- Non-foaming actives
- Efficient water conditioning additives
- Special anti-redeposition polymers

BENEFITS:

- Cleans all wash items quickly and effectively
- Contains a powerful chlorine sanitiser to sterilise utensils and prevent the transfer of bacteria
- Faster penetration and soil removal
- Complexes hard water salts and prevents scale build-up
- Ensures a thoroughly clean and sterile machine, free from objectionable odours.

APPLICATIONS:

- All institutional, commercial and industrial ware washing applications.

DIRECTIONS:

Designed for use through electronic detergent feeders. Concentration adjustment can be made on site.

SAFETY INFORMATION:

- Read Material Safety Data Sheet before use.

Control is available in:
