

TECHNICAL DATA SHEET

DISH GLO - Super Concentrated Dishwashing Liquid

Formulated to meet the most exacting demands in manual cleaning applications such as the washing of dishes, glasses and cutlery.

FEATURES:

- Revolutionary formula
- Fast working
- Safe
- Super mild
- Free rinsing
- Economical

BENEFITS:

- Highly concentrated blend of synthetic wetting agents and advanced additives, penetrants, emulsifiers and foam improvers.
- Naturally far more effective than conventional detergents. Cleans faster and easier.
- It can be used with confidence on any surface not affected by water. Will not affect skin or contribute to the incidence of dermatitis.
- No harsh ingredients.
- Leaving cleaned surfaces bright and shining - free of streaks and soap film.
- Super concentration means only a small amount turns water into a very powerful cleaning solution.

APPLICATIONS:

- For use in commercial and home manual dishwashing applications.

DIRECTIONS:

- Concentration of DISH GLO depends on the type of application or contaminants. In most cases 30ml per 15L of water will produce a highly effective cleaning solution.

SAFETY INFORMATION:

- Read Material Safety Data Sheet before use.
