

TECHNICAL DATA SHEET

FAST CAR WASH - Car Wash Concentrate

Removes a wide range of contaminations from exterior paintwork of motor vehicles quickly and efficiently.

FEATURES:

- Safe to use
- Effective
- Added protection
- Highly concentrated
- Versatile
- Easy to use

BENEFITS:

- Safe on all finished surfaces leaving them bright and gleaming without streaking. Safe on waxed surfaces. Will not remove polish.
- Contains advanced additives and emulsifiers that prove far more effective than conventional detergents.
- Can be used on furnishings and hard to reach areas to kill odours and freshen air.
- Contains special rust inhibitors. Will not activate bare metal surfaces.
- Saves time and money.
- Unaffected by hard water. Actually keeps water salts in suspension preventing spotting and dulling.
- Mixes quickly in water. Is completely free rinsing.

APPLICATIONS:

- Car yards
- Truck and fleet yards
- Marine and aquatic industries
- Mechanics
- Personal and commercial use

DIRECTIONS:

Concentrations depend on circumstances and contaminations to be removed. In most cases as little as 10ml in 1L of water (1:100) is sufficient to produce excellent results.

SAFETY INFORMATION:

- Read Material Safety Data Sheet before use.
- Keep out of reach of children.
- Avoid contact with eyes.
