

# TECHNICAL DATA SHEET

## GLISTEN – Window & Glass Cleaner

*Formulated to speedily clean all windows, mirrors and glass fixtures in any commercial area.*

### FEATURES:

- Industrial strength
- Balanced blend of solvents and detergents
- Non-abrasive
- Water and oil soluble
- Ready-to-use formula
- No re-soiling
- Anti-misting

### BENEFITS:

- Specially formulated for heavy-duty applications.
- Each designed to perform individual functions in the removal of all soils that contaminate glass products in commercial areas.
- Safe for use on all surfaces.
- Dissolves oily residues and makes them miscible with water.
- No dilution required.
- Assists in the penetration and removal of all soils and in the suspension of these solids so that they will not re-deposit on the clean surface.
- The silicone polymers create and maintain a polished surface to all treated glass and assist in achieving an anti-misting effect.

### APPLICATIONS:

- Industrial/workshop glass and windows.
- Automotive mirrors and windows.
- Commercial settings including windows, display cabinets and other glass or reflective surfaces.

### DIRECTIONS:

- Spray Glisten on surface to be cleaned.
- Use paper towel or lint free cloth to wipe clean.

### SAFETY INFORMATION:

- Keep out of reach of children.
- Avoid contact with skin and eyes.
- Wash hands thoroughly after handling.
- Read Material Safety Data Sheet before use.
