

TECHNICAL DATA SHEET

Alloy Wheel Cleaner - Heavy Duty Tyre & Wheel Cleaner

Exceptional brake dust and road grime remover.

FEATURES:

- Highly efficient
- Environmentally friendly
- Versatile
- Easy to use
- Heavy duty action
- Safe to use

BENEFITS:

- Environmentally responsible degreasing compound for all general degreasing and alloy wheel cleaning.
- Biodegradable, non-flammable, water based, no petroleum hydrocarbons, non pollutant.
- Will remove water soluble road grime and oil based residues in one operation. Excellent for cleaning brake dust from alloy wheels.
- Just spray then hose away.
- Quickly penetrates and loosens oil, grease and brake dust – soils hose away easily.
- Non-acid and non-caustic formula – will not etch alloy.

APPLICATIONS:

- Mechanics, car yards, truck industries, fleet and coach industries.
- Wherever brake dust and road grime is an issue.

DIRECTIONS:

1. Spray over tyres and wheels, leave for a short period then hose away.

SAFETY INFORMATION:

- Read Material Safety Data Sheet before use.
- Avoid contact with skin and eyes.
