## AUTO AIR FRESHENER – Air Sanitiser Deodorant Spray

*A powerful concentrated air sanitiser and deodorant spray formulated to freshen air with a clean pleasant fragrance and kill airborne bacteria.*

### FEATURES:

- Safe to use
- Dependable
- Effective
- Economical
- Highly concentrated
- Convenient

### BENEFITS:

- Can be used in complete safety in all indoor areas – particularly effective in areas where large crowds of people gather.
- Helps prevent the spread of communicable virus germs – kills airborne and surface bacteria on contact.
- Deodorising action does not just mask odours but actually destroys odour producing bacteria – penetrating deep into furnishings and hard to reach areas to kill odours and freshen air.
- Saves time and labour – one quick, easy operation deodorises, disinfects and freshens the air.
- 100% active formula.
- Ready to use – no mixing required. Leaves a clean fresh fragrance.

### APPLICATIONS:

- Cars and other vehicles
- Door handles, seats, steering wheel, gear stick, consoles
- Air con vents

### DIRECTIONS:

1. Spray upwards into the atmosphere using a suitable sprayer.
2. Allow to air dry. No need to wipe away.
3. For removing musty, mouldy or dank odours, spray directly onto the surfaces to be treated after they have been cleaned.
4. Spray onto a cloth and use for wiping door handles, steering wheel, dash, console and any other interior surfaces.

### SAFETY INFORMATION:

- Read Material Safety Data Sheet before use.
- Keep out of reach of children.
- Avoid contact with eyes.
