

TECHNICAL DATA SHEET

Mine Klean Truck Wash

Formulated to remove road grime oil and soot with no streaking.

FEATURES AND BENEFITS:

- High concentration- very efficient at low usage levels.
- Advanced additives and emulsifiers prove far more effective than conventional detergent agents.
- Formulated with the technology to penetrate and break road grime bonding.
- Safe on surfaces- will not dull or react with any finished surface.
- Leaves all surfaces clean and bright.
- Free rinsing- rinses completely away, leaves no residue.
- No streaking even when left for an extended period.
- Hard water tolerant - unaffected by hard water. Complexes all hard water salts and neutralises their effect.
- Hard working - powerful commercial formula does all the hard work.
- No hard rubbing is required - Penetrates oily, grimy soils, solubilises them and holds them in suspension to be rinsed away.
- Safe to use with Oil Separation Systems.
- Fully Biodegradable.
- Contains NO Phosphate.

APPLICATIONS:

- Trucks, buses, small vehicles
- Mining equipment – Trucks, excavators, graders, etc
- Agriculture equipment – Tractors, harvesters, trailers, etc
- Marine equipment – Boats, jet skis, kayaks, etc

DIRECTIONS:

- Dilute at a rate of 1 part to 100 parts water (10mL/Lt), use warm water if practical.
- Rinse loose dirt or dust from vehicle. Wash over vehicle using a soft sponge or cloth.
- Rinse thoroughly and chamois dry.
- For best results avoid washing in hot direct sunlight or when vehicle surface is hot.

SAFETY INFORMATION:

- Keep out of reach of children
- Avoid contact with skin and eyes
- Harmful if swallowed
- Read Material Safety Data Sheet before use
