**CLEANER, GREENER, SMARTER SOLUTIONS
— BUILT FOR THE INDUSTRIES THAT
SHAPE AUSTRALIA**

HAMMERSLEY PRODUCT ADVANTAGE GUIDE

This guide presents Hammersley's next-generation, environmentally responsible chemical products as advanced, safer, and more efficient alternatives to legacy industrial brands. Every product is engineered for superior performance, WHS compliance, and environmental stewardship — without compromise.

CONTACT CLEANERS

QD CONTACT CLEANER

FLAMMABLE

Highly efficient, clean-drying solvent for all electric systems and electronic componentry

What it does: Quickly cleans sensitive electrical equipment by removing dirt, dust, and light oils without damaging plastics or sensitive parts.

Alternative to: CRC CO Contact Cleaner, Dymark Protech, Treblex Contact Cleaner

NONFLAM CONTACT CLEANER

NON FLAMMABLE

Precision solvent for the most demanding solvent cleaning

What it does: Cleans electrical components with zero fire risk. Ideal for high-risk environments.

Alternative to: CRC NF Contact Cleaner, Lectra Clean, Treblex NF Contact Cleaner

Why switch:

- Fast evaporation, leaves no residue
- Plastic safe
- Like-for-like with CRC product
- Also available in bulk sizes for larger cost savings

SIZE AVAILABLE	350gm Aerosol	5L	20L	205L	1000L
PRODUCT CODES	H1000	H1001	H1002	H1003	H1004

Why switch:

- Non-flammable, no ozone-depleting ingredients
- Fast evaporation, leaves no residue
- Zero carcinogens – safest in its class
- Stronger solvency for faster performance
- Bulk refillable options available

SIZE AVAILABLE	400gm Aerosol	5L	20L
PRODUCT CODES	H1005	H1006	H1007

BRAKE & PARTS CLEANER

BRAKE & PARTS CLEANER

FLAMMABLE

Powerful solvent cleaner for all heavy-duty workshop degreasing and desmutting

What it does: Rapidly removes brake fluid, grease, oil, and other contaminants from brake parts, calipers, drums, and metal components.

Alternative to: CRC Brakleen, Wurth Brake Cleaner, Treblex Brake & Parts Cleaner

NF BRAKE & PARTS CLEANER

NON FLAMMABLE

Heavy-duty solvent cleaner for brakes and general mechanical degreasing where non-flammability is an important safety issue

What it does: Provides non-flammable cleaning for brake systems, ideal for enclosed or high-risk areas.

Alternative to: CRC NF Brakleen, Wurth NF Brake Cleaner, Treblex NF Brake & Parts Cleaner

Why switch:

- Fast evaporation, leaves no residue
- Non-chlorinated, fast drying
- No carcinogens
- Lower level of CO2 propellant – more active ingredients
- Also available in bulk sizes for larger cost savings

SIZE AVAILABLE	350gm Aerosol	5L	20L	205L	1000L
PRODUCT CODES	H1010	H1011	H1012	H1013	H1014

Why switch:

- Non Flammable Formula
- Fast evaporation, leaves no residue
- Powerful solvency
- Also available in bulk sizes for larger cost savings

SIZE AVAILABLE	400gm Aerosol	5L	20L	205L	1000L
PRODUCT CODES	H1015	H1016	H1017	H1018	H1019

LUBRICANTS & PENETRANTS

THE GOOD OIL PENETRATING LUBRICANT

Exceptional, new generation penetrating lubricant

What it does: Lubricates and loosens seized, rusted, or corroded parts while protecting metal surfaces. Displaces moisture and protects metal surfaces from corrosion.

Alternative to: WD-40, CRC 5-56, Inox, Penetrene

Why switch:

- Non-flammable, non hazardous, non toxic
- Fully plant-based and biodegradable
- Penetrates deeper, safer for workers and environment
- Bulk and aerosol formats
- The future of industrial lubrication.

SIZE AVAILABLE	250ml	300g	500ml	5L	20L	205L	1000L
PRODUCT CODES	H1026	H1060	H1027	H1028	H1029	H1030	H1031

RED RUBBER GREASE FLUID

Excellent lubricant and protectant for rubber components, reducing friction and wear

What it does: Lubricates rubber seals and components while providing water resistance and preventing cracking.

Alternative to: Castrol, Shell, Fuchs, Penrite Red Rubber Greases

Why switch:

- Only aerosol rubber grease on market
- New technology fluid grease
- Less mess, easy application, more convenient
- Environmentally responsible formulation – non-toxic, biodegradable
- Convenient, clean, and effective

SIZE AVAILABLE	400gm Aerosol
PRODUCT CODES	H1067

DEGREASERS & SURFACE CLEANERS

DETAR NON FLAMMABLE PLANT BASED DEGREASER

Heavy Duty Degreaser Concentrate in versatile aerosol form and bulk

What it does: Removes blackjacket, bitumen, tar, and heavy residues from mining & earth moving equipment, road machinery and open gear greases.

Alternative to: Septone Oilsolve, Any kero-based cleaner/degreaser, Lanotec Citra Force, CRC Natural Degreaser

Why switch:

- Renewable biodegradable plant-based formula
- Non-flammable, non-toxic
- No carcinogens, petroleum-free
- No petroleum solvents or carcinogens
- Safer alternative to kero-based products
- Ideal for councils and heavy equipment
- Ideal for shutdown or field work
- Safer for people. Kinder to the planet

SIZE AVAILABLE	400gm Aerosol	5L	20L	205L	1000L
PRODUCT CODES	H1020	301-0005-13	301-0020-13	301-0205-13	301-1000-13

HYDROSOLV BIODEGRADABLE HARD SURFACE CLEANER & DEGREASER

Water based, biodegradable degreaser

What it does: Removes oil, grease, and contaminants from hard surfaces and equipment without toxic fumes.

Alternative to: Simple Green, CRC Bio Degreaser

Why switch:

- Water-based, non-flammable, biodegradable
- No toxic fumes or flammable vapours
- Concentrated formula reduces total cost of use
- Quick break for wastewater separation
- Safer for people and equipment
- No hazardous solvents. Just powerful degreasing

SIZE AVAILABLE	500ml	5L	20L	205L	1000L
PRODUCT CODES	300-0500-44	302-0005-43	302-0020-43	302-0205-43	302-1000-43

HEAVY DUTY DEGREASER NON CAUSTIC WATER BASED DEGREASER

Powerful hard-working degreaser concentrate

What it does: Breaks down thick grease and grime on engines, machinery, and workshop floors.

Alternative to: CT14, Shock Treatment, D-10 Degreaser, Septone Degrease It

AQUATRON CITRUS DEGREASER

Alkaline degreaser concentrate

What it does: Tackles stubborn contaminants like tar, oil, and adhesives with natural citrus power.

Alternative to: Lanotec Citraforce, Septone Superclene

Why switch:

- Water-based, fully biodegradable
- Non-flammable
- Quick break for wastewater separation
- Concentrated for economical use
- Safer for people. Kinder to the planet

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	302-0005-17	302-0020-17	302-0205-17	302-1000-17

Why switch:

- Citrus-based, biodegradable
- Non-flammable, quick break
- Highly concentrated
- Great for heavy grease, oil and contaminants
- Citrus-powered industrial cleaner.

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-03	300-0020-03	300-0205-03	300-1000-03

VEHICLE & GLASS CLEANERS

MINE KLEAN TRUCK WASH

Highly concentrated biodegradable truck wash

What it does: Removes dirt, grease, and road grime from vehicles while protecting paintwork.

Alternative to: TW20, CT18, Bulldog Gold, Simple Green Truck Wash

MINE KLEAN GLASS CLEANER

Commercial grade window and glass cleaner

What it does: Delivers streak-free clarity on windows and mirrors, even in dusty or humid environments.

Alternative to: Windex, Septone C-Thru, Glitz, Armorall Glass Cleaner

Why switch:

- Water-based, biodegradable, quick break
- Highly concentrated for dilution
- Lower alkalinity – gentler on paintwork and reactive metals
- Keep fleets clean and compliant
- Fleet cleaning made safe and simple.

SIZE AVAILABLE	20L	205L	1000L
PRODUCT CODES	H1043	H1044	H1045

Why switch:

- Commercial/industrial strength for heavier duty performance
- Anti-redeposition additive to help deter dust and re-soiling
- Streak-free, ammonia-free, biodegradable
- Contains ethanol for stronger deeper cleaning
- Tint-safe. Environmentally sound.

SIZE AVAILABLE	500ml	750ml	5L	20L	205L	1000L
PRODUCT CODES	H1034	H1035	H1057	H1036	H1065	H1066

SURFACE & SPRAY CLEANERS

MINE KLEAN SPRAY N WIPE

Convenient, professional quality, hard surface cleaner sanitiser

What it does: All-purpose cleaner for benches, kitchens, walls and food prep areas.

Alternative to: Ajax, Septone, Scotts, Glitz, Lightning W66

GENESIS MULTI-PURPOSE DISINFECTANT

Powerful, industrial grade, Multi-Purpose, Disinfectant Cleaner

What it does: Cleans, disinfects, sanitises and deodorises hard surfaces in commercial and industrial settings.

Alternative to: Septone Pinearoma, Lemon Grass

Why switch:

- Stronger formula with approved Covid-fighting ingredients
- Safe for food prep areas
- Effective hard surface sanitising with residual effect
- Ready to use multi-surface cleaner & sanitiser
- Biodegradable
- Sanitise responsibly.

SIZE AVAILABLE	500ml	750ml	5L	20L
PRODUCT CODES	H1049	H1050	H1058	H1051

Why switch:

- Cleaner, disinfectant, sanitiser, deodoriser
- Highly concentrated
- Approved Covid-fighting ingredients
- Excellent on mould, hard floors, and general use
- Biodegradable
- Highly effective. Naturally responsible.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	301-0005-05	301-0020-05	301-0205-05

CORROSION PROTECTION

CORRONIL CORROSION PREVENTION

Industrial Corrosion Protection

What it does: Prevents rust and corrosion on exposed metal parts in storage or transport.

Alternative to: CRC Soft Seal, Septone Rust Proof, Tectyl 506

CORRONIL RS50 RUST & CORROSION PROTECTIVE COATING

Improved corrosion protective coating

What it does: Provides a durable black coating that seals rust-prone metal and can be painted over.

Alternative to: Septone Rust Shield, Rustoleum

Why switch:

- Spray or brush on
- Inert, non-petroleum, waxy protectant
- Highly tenacious – will not dry, crack or break down.
- Will not harm paintwork, plastics, rubber
- Leaves tacky film, removable with Brake & Parts Cleaner
- Ideal for equipment/parts storage indoor or outdoor
- For long-term equipment storage.

SIZE AVAILABLE	5L	20L	205L
PRODUCT CODES	301-0005-27	301-0020-27	301-0205-27

Why switch:

- New generation chlororubber and urethane alkyd polymer is the modern approach to corrosion protection
- Passes 500hr salt spray test
- Hard, flexible coating will not crack or craze even in the most testing conditions
- High chemical resistance
- Paintable protection – strongly bonds to overpainting with solvent based paints
- Spray or brush on

SIZE AVAILABLE	1L	4L	20L
PRODUCT CODES	301-0001-57	301-0004-57	301-0020-57

DUST SUPPRESSANTS & DESCALERS

DUSTAT DUST CONTROL AGENT

Residual and cumulative dust control concentrate

What it does: Controls dust generation and stabilises unsealed surfaces like roads and yards.

Alternative to: GRT, Dust-a-side, RST Solutions, Rainstorm

Why switch:

- Highly efficient, blended formulation provides maximum effectiveness
- Most effective concentrate available.
- Blended in Australia for Australian conditions
- Biodegradable, plant-based
- Cumulative effect
- Reduces water use and reduces manpower & machinery use
- Clean air, clear roads

SIZE AVAILABLE	20L	205L	1000L
PRODUCT CODES	300-0020-28	300-0205-28	300-1000-28

SCALEX INHIBITED ACID CONCENTRATE

Highly effective scale remover concentrate

What it does: Removes scale, mineral build-up and corrosion from plant and piping systems.

Alternative to: Septone Ali Brite, Triple 7 Eco Scale

Why switch:

- Powerful acid-based formula wherever powerful, mineral acid cleaning is necessary
- Economical - concentrated blend allows maximum dilution rates while maintaining efficiency
- Fast acting - begins working immediately, penetrating and cleaning water meters, concrete trucks, brickwork, boilers, stoneware, etc
- Efficient mineral removal

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	300-0005-78	300-0020-78	300-0205-78	300-1000-78

SKIN, HAND & BODY WASH

NUTRA SOFT HAND/BODY/HAIR WASH

Shower gel for all over body and hair cleaning

What it does: Gentle all-in-one wash for body, hands, and hair – ideal for worksite bath houses.

Alternative to: Deb, Ecolab, All Pro Body Washes

NUTRA GEL HAND & SKIN CLEANSER

Everyday hand cleaner for all areas and skin types

What it does: Light-duty hand cleanser for daily use in kitchens, bathrooms, and communal spaces.

Alternative to: Palmolive, Detol

Why switch:

- Biodegradable
- Suitable for all skin types
- Cleans & nourishes skin

SIZE AVAILABLE	5L	20L	205L	1000L
PRODUCT CODES	301-0005-38	301-0020-38	301-0205-38	301-1000-38

Why switch:

- Effective moisturising additive keeps hands soft and protected
- Gentle - no irritation or dryness
- Mild, effective hand cleaner
- Biodegradable
- High chemical resistance

SIZE AVAILABLE	500ml	5L	20L
PRODUCT CODES	300-0500-60	300-0005-60	300-0020-60

HAN D INDUSTRIAL NON SOLVENT HAND CLEANER

Non solvent hand cleaner for all skin types and skin conditions

What it does: Lifts oil, grease and grime from hands without using skin-irritating solvents.

Alternative to: Septone Protecta Pink, Septone Natural Clean

ULTRAKLENZ HD CITRUS HAND CLEANER WITH GRIT

Powerful industrial grade hand cleaner for any workplace

What it does: Grit-infused hand cleaner that removes tough contaminants without damaging skin.

Alternative to: Septone Protecta Grit, Septone Citra Scrub, Solvol, Loctite Yuck Off, Fast Orange

Why switch:

- Unique, 100% solvent free, Industrial hand cleaner
- Powerful enough to remove heavy industrial soils
- Safe for regular use - no solvents, abrasives or alkali salts, biodegradable
- Coconut oil-based cleansers help soften and condition
- Dissolves most heavy industrial grease - carbon - dirt and grime quickly and completely
- Rinses free – no solvent smell or residue recurrent use

SIZE AVAILABLE	5L	20L
PRODUCT CODES	300-0005-40	300-0020-40

Why switch:

- Contains no petroleum solvents, biodegradable
- Citrus oil based – powerful solvency – leaves clean, fresh fragrance
- Industrial strength – instantly dissolves grease, carbon, dirt and grime
- Gentle, soft, pumice abrasive
- Skin conditioning, lanolin esters and active germicides take special care of hands
- Workshop-ready. Skin-safe.

SIZE AVAILABLE	500ml	5L	20L
PRODUCT CODES	300-0500-92	300-0005-92	300-0020-92

DISINFECTANT AND PROTECTIVE SPRAYS

WISP SPRAY DISINFECTANT

Ready to use for indoor or outdoor use

What it does: Sanitises air and hard surfaces, with a pleasant scent and effective germ-kill rate.

Alternative to: Glen 20, Oomph, Oust 3 in 1

RENEW IT VINYL & LEATHER PROTECTANT

A market leading professional in rejuvenation and protection of vinyl & leather surfaces

What it does: Restores and protects vinyl, plastic and leather surfaces from UV and heat damage.

Alternative to: Armorall Protectant, CRC Liquid Armour, Septone Vinyl Shine

Why switch:

- Same ethanol-base as Glen 20
- Effectively kills 99.9% of airborne and surface bacteria on contact
- High quality fragrance leaves pleasant, clean fresh aroma
- Aerosol and low-waste trigger spray/bulk options

SIZE AVAILABLE	300g	500ml	5L	20L	205L
PRODUCT CODES	H1061	300-0500-96	300-0005-96	300-0020-96	300-0205-96

Why switch:

- Provides a natural sheen and conditioning effect to all treated surfaces
- Non-film forming – allows treated surfaces to breath – will not build up or yellow with age
- UV-resistant, helps protect surfaces exposed to solar influences
- Versatile – can be used on internal glass, chrome, stainless steel, plastic and timber surfaces

SIZE AVAILABLE	500ml	5L	20L	205L
PRODUCT CODES	302-0500-23	302-0005-23	302-0020-23	302-0205-23

WHY HAMMERSLEY?

Built for Australian Industry. Backed by 50 Years of Innovation.

Hammersley combines science, sustainability, and service to deliver cleaner, safer chemical solutions that help businesses meet WHS and ESG goals.

MANY MORE PRODUCTS AVAILABLE

*Please view on our website
for more information at
hammersley.com.au*

Whether you're modernising your operations, improving WHS outcomes, or future-proofing your sustainability commitments, Hammersley is ready to support you with products that perform and a team that understands your world.
