APPLICATIONS:

Hammersley's Brake & Parts Cleaner is excellent for use in a wide range of everyday applications. Among its historical uses are:

- Brake linings
- Discs
- Clutch plates
- Machinery
- Brake pads
- Cylinders
- Electric equipment
- Motors
- Drums
- Calipers
- Fork lifts

DIRECTIONS:

Read label and Safety Data sheet to familiarise yourself with the safety requirements for this product.

- Remove from power before use - DO NOT use on equipment that is energised.
- Spray liberally to run off at approx 20cm from the area being cleaned.
- Allow to air dry completely or assist with a clean, dry absorbent cloth.
- Ensure electrical components are completely dry before re-activating power.

Where a non-flammable cleaner is required, use Hammersley's NF Brake & Parts Cleaner.

PRECAUTIONS:

- Highly flammable solvent.
- Keep away from naked flames and heat sources
- KEEP OUT OF REACH OF CHILDREN
- Harmful if swallowed.
- Use with adequate ventilation.
